Subject: Michigan Mobile PET letter problem
Importance: High

Dear Jim,

I have a letter dated 9/4/18 from this licensee and all it says is to change the address. It does not say whether the amendment request is to change the mailing address in Subitem No. 3, the location of storage in the mobile van in Condition No. 10 or both.

So we cannot do anything with the letter we have right now.

We will need a revised and currently dated and signed letter specifically telling us which address(es) are affected. Letter should be marked to my attention and reference control no. 609826.

It is best to fax the revised letter to us at 630-515-1078.

Thank you.

Colleen
