Re: USNRC Materials License No. 13-00133-02

Dear Ms. Gryglak:

Good Afternoon Ms. Gryglak. With regard to our earlier telephone conversation today, it is my hope to clarify the rationale for providing your office with the correct address (**13861 Olio Road**, Fishers, IN) for the location of use at St. Vincent Hospital-Fishers (IN).

When the initial amendment to add St. Vincent Hospital-Fishers, IN as a location of use, the *Town of Fishers* provided St. Vincent Hospital with the address of 13914 Southeastern Parkway, Fishers, IN at the time this Hospital was under construction. Moreover, at that time, there were essentially in the area. However, at some point, the *Town of Fishers* became the *City of Fishers*. Through that process, the St. Vincent Hospital-Fishers was provided a new address (**13861 Olio Road**) while the St. Vincent Professional Building (POB) was assigned the 13914 Southeastern Parkway, Fishers, IN.

This has recently come to our attention. The reason we believe this issue has *recently* come to our attention is because individuals at both locations were not receiving their mail. Also, some had been returned to the post office as "Undeliverable". Additionally, we also discovered the Indiana State Department of Health (ISDH) also had several addresses listed for both sites. Further investigation found persons in the mail room "knew" where certain pieces of mail should be delivered & they took it upon themselves to assure the mail was delivered to the correct person(s). Since then, there has been a change of personnel who didn't have prior knowledge of the previous workers (mail handlers).

Regardless of the change of address, missing mail, & previous workers, the Radioactive Materials (RAM) listed on this license was and is located at St. Vincent Hospital-Fishers located at **3861 Olio Road**, Fishers, IN. The RAM at this location of use has never left the physical location of use.

A member of

Core Values
We are called to:

Service of the Poor
Generosity of spirit, especially for persons most in need.

Reverence
Respect and compassion for the dignity and diversity of life.

Integrity
Inspiring trust through personal leadership.

Wisdom
Integrating excellence and stewardship.

Creativity
Courageous innovation.

Dedication
Affirming the hope and joy of our ministry.

Sorry for the confusion. I am merely attempting to assure the St. Vincent Hospital USNRC License is exact & accurately depicts what is stated within this license. Should you have any questions, please contact me @ your convenience by any means available to you as noted below.

Sincerely,

Edward E. Wroblewski, MA
