## Procedures for Preparing and Packing Signs for Return

(Continued)

### Reporting the Disposal of Your Tritium Signs

15. You are required to report to your state regulators and the US NRC that you have disposed of your signs. You need to write a simple letter stating that you have sent your signs to SRB Technologies, Inc. for proper disposal. Include in the letter the total number of signs returned, the manufacturer, the serial number and the address where they were installed/registered. You will need to send one copy to your state regulator and one to the US NRC.

To find out about your state regulatory body go to <http://nrc-stp.ornl.gov/asdirectory.html>, then click on your state for the address and other contact information.

The address for NRC reporting is:

Director of FSME  
Attn: GLTS  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

16. See the following page for additional requirements concerning the return of SRB Technologies, Inc. B100 Luminexit series exit sign.
