**Subject:** Cammenga & Associates amendment request - request for additional information

Good morning Mr. Karchon,

We have reviewed your amendment request dated September 11, 2018, and found we need more information to complete our review. Please provide the following information.

1. Please provide the total number of the AF Series gun sights that were distributed Cammenga & Associates, LLC.
2. Please confirm that Cammenga & Associates, LLC, will no longer commercially distribute the AF Series gun sights.
3. Please confirm that no changes were made to the AF Series gun sights since their initial registration or last amendment.
4. Based on our review of your registration certificate NR-0210-D-102-E, it is our understanding that the CAMM1115FS, contains three tritium sources. Please confirm if our understanding is correct and confirm that the CAMM1115FS is the only model gun sight with more than two sources that is distributed by Cammenga & Associates LLC.

Please submit the requested information within 30 days of the date of this email. The information should be submitted in an official company letter as an attachment to an e-mail. If we do not receive a response with the complete information within 30 days, we will consider your request as having been abandoned by you. This is without prejudice to the submission of a new request.

Please let me know if you have any questions.

Thank you,
