**Subject:** [External\_Sender] DO NOT BUILD THE PARKING LOT HIGH-LEVEL WASTE DUMP

You know as well as I do, that irresponsibly dumping nearly half of the nation's high-level radioactive waste near populated areas is a MORONIC idea.

The NRC has proven to me that it is not fit to regulate life-threatening waste. You never were. I also see that you are part of the world's depopulation through regulation agenda.

Before David's sling is slung, you must stand down from your irresponsible, villainous ways.

God bless you.
