CHAPTER 16 - TECHNICAL SPECIFICATIONS

16.1 PRELIMINARY TECHNICAL SPECIFICATIONS

This section is not applicable to the LGS UFSAR.

16.2 PROPOSED FINAL TECHNICAL SPECIFICATIONS

The final Technical Specifications for Limerick Unit 1 are based on the NRC's Standard Technical Specifications for BWRs (NUREG-0123) and were issued as Appendix A to Facility Operating License NPF-39. The proposed final Technical Specifications for Unit 2 were based on Unit 1 Technical Specifications as a guide. The Unit 2 Technical Specifications were issued as Appendix A to Facility Operating License NPF-85.
