Subject: **License Renewal Application – Response to RAI**

Discussion: Joe Farris is the RSO associated with the license. A request for additional information (RAI) had previously been sent to the licensee associated with the license renewal application. This phone conversation was held to discuss outstanding questions associated with the responses to the RAI. During the conversation, the licensee stated that he would elect to submit the NUREG 1556 Vol 1, Rev 2, Appendix B checklist to ensure all necessary commitments were made rather than submit an additional RAI response containing the individual commitments and requests.

Action Required: Review submitted information upon receipt, determine adequacy of submittal and continue the renewal process as appropriate, requesting any additional information as needed.
