---

Dear Mr. Peters:

This is in reference to your letter dated August 28, 2018, requesting to amend NRC License No. 08-05938-13. In order to continue our review, we need the following additional information:

1. The Certification of Financial Assurance needs to be revised since you requested the addition of Technetium-99, a radionuclide with a half-life greater than 120 days, and
2. The Statement of Intent needs to be revised since you requested the addition of the National Museum of Natural History as a location of use.

We will continue our review upon receipt of this information. Please reply to my attention at:

Steven R. Courtemanche  
Mail Control 609832  
USNRC, Region I  
Division of Nuclear Materials Safety  
2100 Renaissance Boulevard  
King of Prussia, PA 19406

In order to continue prompt review of your application, we request that you submit your response to this letter by November 20, 2018.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this e-mail will be made available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web Site at: <http://www.nrc.gov/reading-rm/adams.html>. Please be aware that you may request that certain portions of your submittal to NRC be withheld from public disclosure as proprietary information. To do this, you must execute an affidavit as specified in 10 CFR 2.390. You must list all portions that you wish to be held proprietary, along with your reasoning as to why that is appropriate. While it is allowable, please refrain from submitting proprietary information in support of a license unless necessary. Keep in mind that all NRC licenses are considered to be in the public domain, and therefore may be viewed by any member of the public who requests to see them.

If you have any questions regarding this request for additional information, please contact Steven Courtemanche at 610-337-5075 or via electronic mail at [Steven.Courtemanche@nrc.gov](mailto:Steven.Courtemanche@nrc.gov).

Thank you for your cooperation.

Sincerely,

Steven Courtemanche, Health Physicist  
Commercial, Industrial, R&D,  
and Academic Branch  
Division of Nuclear Materials Safety  
Region I
