**RE: CONFIRMATION OF AUTHORIZED MEDICAL PHYSICIST (AMP) USERS ON
AMENDMENT TO LICENSE NO. 52-35242-02**

Dear Mr. Seeley:

In reference to the email you sent to Carmelo Perez (Radiation Safety Officer) on October 25, 2018, we have decided to consider Dr. Dongqing Zhang and Mr. Ryan Sharp as the AMP users for the Brachytherapy Services of our institution. They have already been evaluated by you for the position and are set to work using the Varian unit. Please do not consider the other four physicists for the position at this moment.

If additional information is needed, do not hesitate in contacting us at 787-772-8300 or the Radiation Safety Officer at 787-432-9320.

Respectfully,

Luis Clavell, M.D.
Executive Director
