Subject: [EXTERNAL] NRC Inspection of BJ Services in West Virginia

Mr. Parker,

I'd like to thank you for your time today and your staff during the NRC inspection at BJ Services' facility in Clarksburg, West Virginia on September 13, 2018, respectively. As I briefly discussed today, the NRC has determined that no violations of significance were identified. However the previously identified violations were not able to be fully closed out as a result of the movement of select records from the closure of the Clarksburg office. The attached NRC Inspection Report (NRC Form 591M) documents the results of the inspection. This does not require you to take any action and you are not required to sign either document or return them. I do however request a courtesy email response from you acknowledging receipt.

If you have any questions or concerns, please do not hesitate to contact me,
