

PUBLIC MEETING ANNOUNCEMENT

Title: Notice of Category 3 Public Meeting to Discuss the Proposed Rulemaking to Align the Regulations in Parts 50 and 52 to Address Updates to the Licensing Processes and Lessons Learned for Future New Reactor Applications

Date(s) and Time(s): December 18, 2018, 08:30 AM to 03:30 PM

Location: NRC One White Flint North, Commission Hearing Room
11555 Rockville Pike
Rockville, MD

Category: This is a Category 3 meeting. Public participation is actively sought for this meeting to fully engage the public in a discussion of regulatory issues.

Purpose: To discuss the scope of a rulemaking approved by the Commission in the SRM for SECY-15-0002, "Proposed Updates of Licensing Policies, Rules and Guidance for Future New Reactor Applications" (ML13277A420). The staff would like to engage with the public to solicit ideas that they believe the NRC should consider for this rulemaking.

Comments: Specifically, the staff would welcome discussion on the following questions during the meeting:

- What elements of the Part 50 licensing process should be aligned in order to provide equivalent outcomes to licensing reviews conducted under Part 52? What elements of the Part 50 licensing process should not be aligned and why?
- What elements of the Part 52 licensing process should be changed in order to address difficulties encountered during previous licensing reviews that would result in more effective and efficient reviews for future applications?
- What transformational changes can be implemented in the Part 52 licensing process, which would result in reducing unnecessary burden on applicants, licensees, and NRC staff while maintaining NRC's safety mission?

PUBLIC MEETING AGENDA
