Subject: TestAmerica St. Louis NRC License Number: 24-24817-01 Notification of ownership change of parent company, TestAmerica Environmental Services, LLC, acquired by Eurofins Scientific

I am very pleased to inform you that effective October 31, 2018 Eurofins Scientific has acquired TestAmerica Environmental Services, LLC, the parent company of TestAmerica Environmental Laboratories Incorporated.

The change as a result of this transaction is that the ownership of shares in the parent organization, TestAmerica Environmental Services, LLC, are now held by Eurofins Scientific; a global scientific leader in bioanalytical testing.

There is no change to the legal entity TestAmerica Laboratories Incorporated. The corporate structure and the legal entities for TestAmerica St. Louis will remain the same, exactly as it is now with the same Laboratory Name and Certification ID.

Our operating company, TestAmerica Laboratories Incorporated, is incorporated in Delaware and will remain a U.S. based company. All contracts continue with the current company, company names are unchanged and the current management team will continue to lead the business.

If you have any questions please contact Kristen Ely or Jodie Carnes at TestAmerica St. Louis.

Sincerely,

A handwritten signature in black ink that reads "Kristen Ely".
