BASF Colors and Effects USA, LLC  
License No.: 07-20696-01  
Docket No: 03020734  
Control No: 609952

Ms. Sergeant,

This refers to your request to amend your license dated September 13, 2018. In order to continue our review of your request, the following additional information is needed:

1. Please state if you will be taking a Radiation Safety Officer course in the future.
2. Please verify if you want to remove John Verdi from License Condition (LC) 17A from your license.
3. Please provide an updated list of individuals qualified in accordance with LC 17A of your license that you would like to have named in LC 17A.
4. Please have your reply signed by an official of the company that is authorized to make binding legal and financial commitments for your company.
5. On your amendment request letter it states on the very bottom that your address is 205 N. James St., Newport, DE and in LC 10 of your license it states the licensee's facilities is located at 205 South James St., Newport, DE. Please state which address is correct and should be placed in LC 10.
6. In LC 17A of your license, it references your Safety and Health Compliance Guideline, Policy No. F7 and the document contained in the NRC's ADAMS database contains this document but the document has your previous company name (Ciba Pigments). Please email me the most recent, approved, Safety and Health Compliance Guideline, Policy No. F7.

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your amendment request.
