B. Submitting Comments

Please include Docket ID **NRC-2018-0237** in your comment submission.

The NRC cautions you not to include identifying or contact information that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the comment submissions into ADAMS. The NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Discussion

On October 19, 2018, the NRC solicited comments on "Oyster Creek Nuclear Generating Station; Consideration of Approval of Transfer of License and Conforming Amendment." The purpose of the original *Federal Register* notice (83 FR 53119; October 19, 2018) was to provide an opportunity to comment, request a hearing, and petition for leave to intervene. The public comment period closed on November 19, 2018. The NRC has decided to reopen the public comment period on this

document until January 9, 2019, to allow more time for members of the public to develop and submit comments. The period to request a hearing and petition for leave to intervene is not being reopened.

Dated at Rockville, Maryland, this 4th day of December, 2018.

For the Nuclear Regulatory Commission.
