Dear Ms. Casey,

In a letter to the Nuclear Regulatory Commission prepared July 24, 2018 National Physics Consultants Ltd. requested a transfer of control of the license noted above. At this time we wish to withdraw this request.

Please terminate this license. Please note the information below.

1. The current NRC license for National Physics Consultants was received by an authorized transfer of control from David Close Consulting dated March 24, 2017. There are no restricted areas associated with this license.
2. No radioactive materials have been purchased, acquired or possessed under the control or authority of this license.

Thank you for your attention to this matter.
