Dear Mr. Mathews, to continue our review to name Mr. Jason Bond to the above license as the RSO, please provide the following:

1. Confirm that you provided training to Mr. Bond on the St. Vincent's Operating and Emergency procedures in accordance with 10 CFR 35.50.
2. It appears that this individual may be an outside consultant\contractor. If this is so, in support of this request, please address the following:
  - a. Describe the control over the radiation safety program that will be delegated so that the consultant-RSO will be able to exercise authority over authorized users when confronted with radiation safety problems that require implementation of corrective actions.
  - b. Describe the relationship that will exist between the consultant-RSO and institutional management regarding expenditure of funds to facilitate the objectives of the radiation safety program and related regulatory requirements.
  - c. Identify other commitments of the consultant-RSO for other NRC or Agreement State licensed facilities, along with a description of how the consultant-RSO will allocate time to permit the performance of the duties of the RSO as described in the regulations. State the consultant-RSO's minimum amount of on-site time (hours per week).
  - d. Appoint an in-house representative who will serve as the point of contact during the RSO's absence. This person may be allowed to assist the consultant RSO with limited authority.
  - e. Describe the overall availability of the consultant-RSO to respond to questions or operational issues that arise during the conduct of the radiation safety program and related regulatory requirements. Specify the maximum amount of time it will take the RSO to arrive at the facility in the event of an emergency that requires his presence.

Please submit a signed letter from management addressing the above items. You may either fax the letter to 610-337-5269 or send a signed pdf via email to my attention. Please refer to Mail Control No. 610263 in your reply. If we do not receive a reply from you within 30 days, we will consider that you no longer require the requested change and void your request. Thank you for your assistance,
