Re: Request to Amend License No. 49-26846-01

To Whom It May Concern:

Energy Laboratories, Inc. is submitting this letter as formal documentation to amend our license pertaining to License Section 7 of our application, Individual(s) Responsible for the Radiation Safety Program. Please amend radioactive materials license 49-26846-01 to remove Dave Blaida from our license as an authorized user, as he is no longer with our company.

Please retain Ms. Christy Hutchinson as our Radiation Safety Officer (RSO) and the person responsible for the Radiation Safety Program at Energy Laboratories, Inc. Casper facility. We would like to retain Ms. Dee Fairservis as our Assistant Radiation Safety Officer and an Authorized User (AU).

Also under License Section 7 of our application, Under Authorized User (AU), add the following text: Dee Fairservis received her RSO training in 2009 and previously worked in that capacity for approximately 6 years at Energy Laboratories, Inc.

If there are any questions or if additional information is needed, please contact me at 307-995-3265 or by email at csheaff@energylab.com
