**Subject: Request for Five Year Renewal of Certificate of Compliance No. 9248 for SP-1, SP-2, and SP-3 Transportation Packages; Docket No. 71-9248**

By this letter, Framatome Inc., per the provisions of 10 CFR 71.38, formally requests a five year renewal of Certificate of Compliance 9248 for the models SP-1, SP-2, and SP-3 packaging. The expiration date of the current certificate is April 30, 2019. No other changes are requested.

Please note that Framatome has a commercial need to support an international shipment scheduled for February 26, 2019. As part of this shipment, Framatome would like to remind the NRC of the additional time needed to obtain both a DOT Competent Authority Certification as well as a Taiwanese Certificate following receipt of the renewal.

If you have any questions concerning this request, please feel free to contact me at 509-375-8550 or Bryan Flanagan at 509-375-8537.

Very truly yours,
