PART I.D -- COMMENTS

In the interest of maintaining the privacy of our employees, the NRC does not release the cell phone numbers of any individual. Cell phone numbers are withheld under FOIA exemption (b)(6).

Enclosed are the responsive records for Joseph Rivers and James Randall Hall. There are no organizational charts on which Joseph Rivers or James Hall is listed. Neither NSIR nor NRR have developed or maintain organizational charts at the job level of these individuals. With respect to the part of your request asking for the "job duties/purpose" of the named employees, we identified a Position Description that reflects, among other things, the requested record. To the extent the enclosed Position Description contains information other than the specifically requested "job duties/purpose", such information is considered a non-responsive record.

Russell Wise left the agency on 10/03/2004; therefore, no records were located.
