### TRITIUM EXIT SIGN INVENTORY FORM

Record an inventory of the exit signs using the manufacturer label information on the back of the sign. Make sure that all information is legible. DO NOT REMOVE THE LABEL FROM THE SIGN. ALL FIELDS BELOW MUST BE FILLED OUT FOR EACH SIGN. DO NOT PUT ARROWS OR DITTO MARKS FOR REPETITIVE INFORMATION. Note: Double faced signs made by connecting two signs back-to-back should be counted as two signs even if there is one serial number on the housing. If you have one or more back-to-back signs, please list each one twice.

| DESCRIPTION/MFR.    | MODEL NUMBER | SERIAL NUMBER | DATE OF MANUFACTURE | CURIES PER UNIT or LIFE RATING |
|---------------------|--------------|---------------|---------------------|--------------------------------|
| 1. SRB Technologies | BetaLux E    | 145717        | 6-1991              | 20 curies                      |
| 2.                  |              |               |                     |                                |
|                     |              |               |                     |                                |
|                     |              |               |                     |                                |
|                     |              |               |                     |                                |
|                     |              |               |                     |                                |
|                     |              |               |                     |                                |
|                     |              |               |                     |                                |
|                     |              |               |                     |                                |
|                     |              |               |                     |                                |

Describe any damaged units:  
Please email pictures of damaged signs to  
pak.ts@veolia.com

I hereby certify that all information submitted on this form contains true and accurate descriptions of the exit signs.
