Subject: [External_Sender] Docket No. 72-1050 NRC-2016-0231

Dear Nuclear Regulatory Commission,

I urge you to reject the WCS proposal for a consolidated interim storage site, where numerous used, highly radioactive fuel cores would be stored at one location.

Under federal law, such a site is not allowed until a permanent repository is operating.

NRC - WCS EIS 2018
Email:WCS_CISF_EIS@nrc.gov

Sincerely,

Betsy Glenn
