SUBJECT: CLIFFORD & GARDE, LLP LETTER OF INQUIRY REGARDING ROCKWOOL CORPORATION, SINGLE SYSTEM TRACKING (SST) ITEM NO. 2019 SST-1681

Dear Ms. Garde:

This refers to your letter dated December 11, 2018, titled Rockwool Corporation. In your letter you inquired about an NRC license application from Rockwool Corporation for industrial radiography. You also asked about General License (GL) devices issued to the same company. In response, we searched our records systems and determined that Rockwool Corporation has not submitted an application for an NRC License, nor do they have an NRC license. We searched our General License Tracking System (GLTS) and determined that no GL devices have been purchased by Rockwool Corporation in NRC jurisdiction. If you are aware of any other names that Rockwool Corporation might do business as, feel free to provide those to us, and we will perform similar searches.

If you have any questions, please contact Michael Reichard of my staff at 610-337-6945 or via electronic mail at michael.reichard@nrc.gov.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's document system (ADAMS). ADAMS is accessible from the NRC Web Site at: <http://www.nrc.gov/reading-rm/adams.html>.

Thank you for your cooperation.

Sincerely,

Arthur Burritt, Chief
Commercial, Industrial, R&D
and Academic Branch
Division of Nuclear Materials Safety
Region I
