With regards to the removal of the WVU Heart Institute from your license, please submit the following:

1. Inventory and leak test of Sealed sources performed at the facility prior to September 1, 2017.
2. Identification of the unsealed radionuclides used there (e.g., Tc-99m).
3. Inventory of Sealed sources performed at WVUH, Ruby Memorial, to show the sources were received.

You may send a signed pdf to my attention. Please reference Mail Control No. 610668 in your response. Thank you for your assistance,
