******* PEASE RESPOND TO CONFIRM RECEIPT OF THIS REQUEST *******

Mr. Crooks:

In order to complete the review of the request to change the Radiation Safety Officer to Andrew Lukban, we will need the following additional information:

1. A copy of the SUNY Downstate Medical Center license listing Maxine Barnes as the Radiation Safety Officer.
2. A copy of Andrew Lukban's board certificate.
3. A revised NRC Form 313A(RSO) that follows the Authorized Medical Physicist pathway. Specifically, check the box for Part 1 Training and Experience, Item 4 (page 4). I will not need you to address 4.a., but I will need you to complete 4.b. which states that you should complete Table 3.c. documenting training in radiation safety, regulatory issues, and emergency procedures for 35.200 materials only.

Please respond within 30 days to my attention. The response may be e-mailed to me at tara.weidner@nrc.gov. However, the response must be a letter signed by management in pdf form.
