**PART I.A -- FEES**

<b>AMOUNT</b>

**PART I.B -- INFORMATION NOT LOCATED OR WITHHELD FROM DISCLOSURE**

- We did not locate any agency records responsive to your request. *Note:* Agencies may treat three discrete categories of law enforcement and national security records as not subject to the FOIA ("exclusions"). See 5 U.S.C. 552(c). This is a standard notification given to all requesters; it should not be taken to mean that any excluded records do, or do not, exist.
- We have withheld certain information pursuant to the FOIA exemptions described, and for the reasons stated, in Part II.
- Because this is an interim response to your request, you may not appeal at this time. We will notify you of your right to appeal any of the responses we have issued in response to your request when we issue our final determination.

**PART I.D -- COMMENTS**

As permitted by the FOIA, 5 U.S.C. 552(a)(6)(B)(iv), and NRC's FOIA regulations, 10 CFR 9.39(e), we have aggregated the three requests described above, for purposes of assessing fees, as we believe that your requests, submitted within a three-week time period, and seeking similar staff-related records, actually constitute a single request for records of clearly related matters.

With respect to your request for organizational charts of the Office of Intelligence, there is no current program office with that name. Moreover, we have confirmed with the NRC Historian that no such program office existed since the NRC was created and began operations in 1975. We have enclosed the organizational chart for the Office of Public Affairs.

With respect to your request for an agency-wide, or program office-specific, staff directory (or index) that includes the names of, and email addresses for, NRC staff, the NRC does not maintain such directories and the NRC is not obligated to create records in order to respond to a FOIA request.
