Subject: [External_Sender] Docket ID NRC-2018-0230 is an Immature Decision

COMMENT (34)
PUBLICATION DATE: 10/29/2018
CITATION: 83 FR 54380

To Whom It May Concern,

I believe that " Training and Experience Requirements for Different Categories of Radiopharmaceuticals" (NRC-2018-0230) is an immature decision and will compromise quality of care and patient safety in radiopharmaceutical therapy.
