Dear Ms. Ulrich

The Aberdeen Test Center is submitting a request for extension of the United States Nuclear Regulatory Commission, License SUB-834, Docket No. 040-07354.

This extension request takes the place of the renewal of the license referenced above. The expiration date of the license is February 28, 2019. Per your guidance, licenses are now issued for 15 years. The original, issued for ten years may be requested for an additional five years. We are requesting an additional five years on License SUB-834.

If you require additional information, please contact Mr. Stephen Acker, Radiation Safety Officer, 410 278-4688, stephen.e.acker2.civ@mail.mil.

Sincerely,

John F. Hall
Colonel, U.S. Army
Commanding

This is to acknowledge receipt of your: ☒ Letter and/or ☐ Application Dated: 01/15/2019

The initial processing, which included an administrative review, has been performed.

☒ Amendment ☐ Termination ☐ New License ☐ Renewal

☒ There were no administrative omissions identified during our initial review.

☐ This is to acknowledge receipt of your application for renewal of the material(s) license identified above. Your application is deemed timely filed, and accordingly, the license will not expire until final action has been taken by this office.

☐ Your application for a new NRC license did not include your taxpayer identification number. Please complete and submit NRC Form 531, Request for Taxpayer Identification Number, located at the following link: <http://www.nrc.gov/reading-rm/doc-collections/forms/nrc531.pdf>

Follow the instructions on the form for submission.

☐ The following administrative omissions have been identified:

Your application has been assigned the above listed MAIL CONTROL NUMBER. When calling to inquire about this action, please refer to this control number. Your application has been forwarded to a technical reviewer. Please note that the technical review, which is normally completed within 180 days for a renewal application (90 days for all other requests), may identify additional omissions or require additional information. If you have any questions concerning the processing of your application, our contact information is listed below:
