Office of the Secretary
Docketing & Service
Section

FEB 8 1978

Dear Sir.

Salem #1 nuclear unit located here has applied to increase their on site storage of spent fuel from 1/3 core 4 yrs to 17 yrs.

May I have any information your staff can locate for me on Spent Fuel. On site storage Off site - repositories etc.

Many of us are concerned because this can also apply to the other units. Are we not only to be the largest concentration of plants but also now Waste. How do you feel about this.

Thank you.

Sincerely,

Mrs. Ruth Thomas
