Re: In re Salem OL Amendment, # 50-272
(transcript of telegram, May 10, 1978)

Dear Mr. Chairman and members of the Board:

The Public Advocate of the State of New Jersey requests an extension of time until close of business Friday, May 12, 1978, for filing of an amended petition on behalf of the Colemans in response to the Board's Order of April 27, granting 10 days for same. The NRC staff, the State of New Jersey, Lower Alloways Creek, and the licensee, PSE&G, have no objection. The reasons for the request are in brief: (1) nonreceipt of the Board's order until May 3, (2) unavailability of a technical consultant until May 8, and (3) scheduling conflicts with motions filed in In re OPS, #STN 50-437, before both the ASLB and Appeal Board.

Respectfully submitted,

STANLEY C. VAN NESS, The Public Advocate
