In the Matter of Public Service Electric & Gas Company, et al.
(Salem Nuclear Generating Station, Unit 1)
Docket No. 50-272

Dear Mr. Potter:

This will confirm our telephone conversation of July 20, 1978, concerning your request to add additional individuals to the service list in the captioned proceeding.

The Board's Order dated July 19, 1978, provides that, because of special circumstances concerning the manner of representation and the location of counsel, service upon Mr. and Mrs. Coleman be made. However, the Board's Order also notes that 10 CFR §2.712 requires service only upon the attorney for a party. Accordingly, as I advised you on the telephone, we will not make service upon Mr. Bridenbaugh.

You have also requested that we serve your associate counsel from your Department, Miss Ayres, which we will do.

Sincerely,

Troy B. Conner, Jr.
