Re: Docket No. 50-272

Gentlemen:

This letter is in regard to the filing of written testimony on the most recent question posed by the Board in the above-captioned matter. It is to inform you, and other parties, that despite diligent efforts we are unable to have such testimony prepared within the requisite time period. Regrettably, the fifteen (15) day extension recently granted by the Board was not sufficient.

The Colemans will, of course, be represented at the April 28th hearing on this matter. The week postponement, also recently granted by the Board, relieved the calendar problems of this Department in this regard.

Very truly yours,

SANDRA T. AYRES
Assistant Deputy Public Advocate
Attorney for Intervenors, Colemans
