To Whom It May Concern:

Recent correspondence sent to the Pennsylvania State University Breazeale Reactor (PSBR, License R-2, Docket 50-005) was carbon copied to Candace Davison as the Associate Director of Operations / ADO and Jeff Leavey as the Radiation Safety Officer / RSO. These individuals no longer hold those positions. Please ensure that your records are updated to list Jeffrey Geuther as the ADO for the PSBR, and Yuanqing Guo as the RSO for Penn State.

Sincerely,

Jeffrey A. Geuther, ADO
