Conversation Regarding Response to Request for Information date 12/19/2018

SUMMARY AND ACTION REQUIRED (IF ANY)

This record is in reference to the request for additional information responses submitted by Gerdau - Monroe Mill dated December 19, 2018 and the conversation that occurred between Laura Cender and Craig Metzger on January 14, 2019.

Please provide your response to me via email by no later than Monday, January 21, 2019. Please ensure that your response is both signed and dated.

Per our discussion today, please provide your response to the following items:

1. In your response to Item 6.e. you indicate that replacement sources will be shipped into your "Stores" area by Berthold. Please clarify the following:
   a.) Please indicate on the Google Maps overview diagram the area and floor where this "stores" receiving area is located.
   b.) Please estimate the length of time that replacement sources will be kept in this receiving area. Please also describe how material will stored in the receiving area until the vendor installing the sources is present on-site.
