Subject: Level 3 personnel change
Date: Thursday, February 07, 2019 10:09:00 AM

Mr. Reisner,

We have received your official notification that informs the NRC of a personnel change for the Level III position of the Missouri University of Science and Technology Reactor's Technical Specifications. We need you provide additional information to demonstrate that Mr. Ethan Taber meets the qualification as specified in your technical specifications, section 6.1.2.

Thanks,

Xiaosong Yin

Subject: [External_Sender] New Level 3

Mr. Kennedy

I am happy to announce a new level 3 person for the MSTR. Attached you will find the official letter. I will be submitting the letter later today to the document room.

Thank you

Craig Reisner
