Leo, Response to your email

1. In Item 6. of your application you state that you will be using Troxler Electronic Laboratories models 3400 series, 4640 and 3214. Please state how many of each model of Troxler portable gauges you would like to be able to possess.

Eurovia will be using 6 each of the 3440 series, 6 each of the 4640 series and 1 each of the 3214 series.

2. In your application Item 8., it states that licensed material shall be used by, or under the supervision and in the physical presence of, individuals who have satisfactorily completed the manufacturers training. In NUREG-1556, Vol. 1, Rev. 2 "Consolidated Guidance About Materials Licenses – Program Specific Guidance About Portable Gauge Licenses" states in part that successful completion of one of the following to be evidence of adequate training and experience.

Eurovia will be following below criteria

Equivalent course that meets the criteria in Appendix C of NUREG-1556, Vol. 1, Rev. 2 "Consolidated Guidance About Materials Licenses – Program Specific Guidance About Portable Gauge Licenses"

Please state that licensed material will be used by, or under the supervision and in the physical presence of, individuals who have successfully completed the above training.

All Licensed material will be used by or under the supervision and in the physical presence of individuals who have successfully completed the training out lined above.

A handwritten signature in blue ink that reads "Michael D. Scolforo". The signature is fluid and cursive.
