License No.: 07-16529-01

Docket No: 030-11379

Control No: 611111

Licensee Name: Delaware Imaging Network

This refers to your request to amend your license dated January 10, 2019. In order to continue our review of your request, the following additional information is needed:

NUREG 1556 Vol. 9 Rev. 2 Section 11 provides licensees guidance for termination of activities. Please provide the following information related to your documentation for termination of activities at the Augustine Cut Off (ACO) location:

1. Confirm that there have been no leaking sealed sources at the Augustine Cut Off location.
2. Confirm that only unsealed sources with half-life less than 120 days were used at the ACO location and provide the last date of use of unsealed material at this location.
3. Confirm that the sources transferred from the ACO location to the Omega Drive, Building L location were received and placed into the inventory there.
4. Provide information regarding the disposition of radioactive waste from the ACO location.
5. Provide the most recent calibration documentation for the survey meters used for the radiation surveys and the well counter used for wipe tests of the room and sealed source leak tests.

Your reply must be an originally signed and dated letter. The letter may be scanned and submitted as a pdf document attached to an email; or it may be transmitted by facsimile to (610) 337-5269; or it may be sent by regular mail. If we do not receive a reply from you within 30 calendar days from the date of this e-mail, we will assume that you do not wish to pursue your amendment request. Please feel free to contact me with any questions you may have at the number listed below.

Please respond by e-mail to acknowledge that you have received the e-mail request for additional information.

Regards,
