Hi Ty,

I have reviewed GE's cancellation request of its parent company guarantee (PCG) and find that it is acceptable. NRC staff previously reviewed and approved the replacement financial assurance instruments for GE, therefore, the cancellation request is approved.

I have a template letter for the instrument return to the licensee. Will the letter be signed out by your division management?

Thanks,

Reggie

Hi Reggie,
This is a reminder I will be looking for your acceptance of the GE Cancellation of Parent Company Guarantee dated 1/7/2019, ML19014A161.
