Sandra,

Attached are the two files that the EDO should sign digitally for the Direct Final Rule: List of Approved Spent Fuel Storage Casks: NAC International NAC-UMS Universal Storage System, Certificate of Compliance No. 1015, Amendment No. 6.

The link to the ADAMS package is below.

Please let me or Helen Chang know if the EDO needs assistance with digitally signing these documents. Please let me know when the FRNs have been signed so we can retrieve the Congressional letters that are included in the hard copy of the package. Also, please e-mail the digitally signed documents back to me so we can forward them to the Office of the Federal Register for publication.

Thanks,  
Carol Gallagher

Hi, Sandra,

I'll be returning the package to O-16C32 shortly. The revised EDO signature memo has been posted in ADAMS. I'm attaching it for the others' information. The Commissioners' first names have been deleted, staff contacts have been added, and also a list of cc:s.

See you soon,  
Rob

Good morning!

The package (ML18211A693) that was delivered to the EDO mailroom needs some corrections before we processed for the EDO signature. Please send someone to pick up the package from O16-C32.

See the mark up on the hard copy package.

Contact me if you have any question.
