RE: License #21-32683-01 Action # 609887

Dr. Goel's location has decided not to pursue the Mobile portion of his license, including all references to a mobile van and mobile services. Please remove that request from his request for renewal.

If he changes his mind in the future to provide mobile service, he will notify you of his intent at the time.

Thank you,

Laura T. Speer Smith, MS, DABR
Site Radiation Safety Officer and Physicist
