Dear Dr. Butler,

To continue our review of Drs. Seynnaeve's and Taylor's training and experience; please submit the following additional information:

1. Please clarify the requested use under 10 CFR 35.300 (e.g., I-131<33 mCi and/or I-131>33 mCi).
2. With regards to the doctors' board certification, the NRC is currently discussing the board certification process with ABR for those certifications issued from 2017 forward. As you will notice, the certificate language does not match the sample certificate provided at <https://www.nrc.gov/materials/miau/med-use-toolkit/spec-board-cert.html>. The NRC has contacted the ABR to determine if any changes to the required training and experience by the board were implemented in 2017 and to obtain current certificate formats; and is awaiting the additional information. Therefore, in the interim, these individuals, including Drs. Seynnaeve and Taylor, must apply for status under the alternate pathway. Please submit detailed training and experience using the NRC Form 313A (AUD) and (AUT) forms found at [https://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a\(aud\).pdf](https://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a(aud).pdf) and [https://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a\(aut\).pdf](https://www.nrc.gov/reading-rm/doc-collections/forms/nrc313a(aut).pdf). Please complete all sections in Item 3 and the preceptor attestation for the "Training and Experience". We apologize for the inconvenience. Alternatively, our Headquarters office is close to approving the use of the new ABR certificates and estimate that they will be approved within the next couple of months. If approved by the end of April, no further action on your part for this item is required. Therefore, if you want to wait for now, let me know. This option may require you to retract your request if the approval is delayed (to be re-submitted at a later date when ABR certificate is approved).

Please reply either via signed pdf sent to my email or facsimile sent to 610-337-5269. Please reference Mail Control No. 611348 in your response. If we do not receive a reply within 30 days, we will consider that you no longer require the additions and will void your request. Thank you for your assistance,
