Dear Sir / Madam:

The purpose of this letter is to distribute, in accordance with 10 CFR 50.4(b)(5)(iii), a copy of the Emergency Plan document change "Indian Point Energy Center On-Shift Staffing Analysis" Revision 19-01 as required by 10 CFR 50.54(q)(5) and 10 CFR 50, Appendix E, Section V.

The On-shift Staffing Analysis revision does not result in a change to Table B-1 of the Indian Point Energy Center (IPEC) Emergency Plan. Two notes are added to the table for information only. These notes do not result in a reduction or increase to the required minimum on-shift staffing, nor lessen any requirements to support emergency response functions or tasks. The revised on-shift staffing analysis does not affect compliance with 10 CFR 50.47. The revision has been evaluated in accordance with 10 CFR 50.54(q) and does not decrease the effectiveness of the Emergency Plan.

The evaluation and the "Indian Point Energy Center On-Shift Staffing Analysis" Revision 19-01 are provided in the enclosure. This letter and the enclosed evaluation constitute the summary of analysis required to be submitted by 10 CFR 50.54(q)(5).
