General Comment

Entergy wants to decommission Pilgrim in 60 years and Holtec wants to decommission Pilgrim in 8 to 10 years. I think 8-10 years is better for the Commonwealth of Massachusetts and the Town of Plymouth.

However, the Commonwealth and Pilgrim Watch are against Holtec buying Pilgrim. Why? Because the Commonwealth and Pilgrim Watch want money from Entergy and Holtec.

I support the sale of Pilgrim from Entergy to Holtec, because commonsense says 8-10 years is better than 60 years for decommissioning Pilgrim.

But I will not be surprised to see Holtec walk away from the deal like Amazon walked away from New York, especially since the Commonwealth wants to steal 1200 acres of land and wants to enforce a 10 millirem clean up standard

with no safety benefit.
