Subject: Transfer of Control for NRC Website

Hey Celimar,

Please disregard my previous email that said nothing.....

I have a licensee who is undergoing a change of Control and we will need to place their Change of Control request on the NRC Website.

FibreK is transferring control to ND Fairmont.

Transferor:

FibreK

Docket No. 03033817

License No. 47-25327-01

Mail Control No. 610028

Accession No. ML18276A239

Please Note: I just asked our License Assistant Team to make the document Public, Non-Sensitive, Immediate Release.

I expect that the SUNSI review will be updated by tomorrow before lunch.

Thanks much!
