RE: Disposal of 34 Tritium Exit Signs from the Upper Occoquan Service Authority

To Whom It May Concern:

The purpose of this letter is to inform you that the Upper Occoquan Service Authority (UOSA) has sent 34 exit signs containing tritium to SRB Technologies, Inc. (NC Radioactive Materials License # 034-0534-2) for proper disposal. All of these signs were removed from UOSA's main site at 14631 Compton Road, Centreville, VA 20121. The attached sheets list the serial numbers of each sign, with the exception of two signs where the serial numbers had faded over time and were no longer legible.

If you have any questions or need additional information about the disposal of the referenced tritium signs, please call Mishelle Noble-Blair, UOSA Regulatory Affairs Coordinator, at 703-227-0202.

Sincerely,

A handwritten signature in black ink that reads "Charles P. Boepple".
