Director of FSME

Attn: GLTS

U.S. Nuclear Regulatory Commission

Washington, DC 20555-0001

To Whom it May Concern,

We recently removed 1 tritium powered exit signs and installed 1 new tritium powered signs at Western States Flooring @ 250 E Elliot in Chandler AZ 85225 . I was told to give you notice of this. We are shipping these old signs to SRB technologies in Winston-Salem, NC for proper disposal (NC Radioactive Materials License #034-0534-2) . They supplied the new exit signs to us. Let me know if you have any questions.

Thank you,

Kent Rasmussen

## Procedures for Preparing and Packing Signs for Return (Continued)

12. All pages of this request must be either initialed or signed in the indicated areas before an RGA number will be issued. Placing your initials and signature on these pages as indicated, and returning the signs, signifies that you have read, understood and complied with these policies and procedures and that you are aware there may be additional costs for failing to follow these procedures.
13. See the following page for additional requirements concerning the return of SRB Technologies, Inc. B100 Luminexit series exit sign.

### Reporting the Proper Disposal of Your Tritium Signs

You are required to report to your state regulators and the USNRC that you have disposed of your signs. Reporting requires that a simple letter be written stating that you have sent your signs to SRB Technologies, Inc. (NC Radioactive Materials License # 034-0534-2) for proper disposal. Include in the letter the total number of signs returned, the manufacturer, the serial numbers and the address where they were installed/registered. You will need to send one copy to your state regulator and one to the USNRC.

To identify your state regulatory body go <https://scp.nrc.gov/asdirectory.html>, then click on your state for the address and other contact information.

The address for USNRC reporting is:

Director of FSME  
Attn: GLTS  
U.S. Nuclear Regulatory Commission  
Washington, DC 20555-0001

If a transportation incident occurs you must report the incident to the USDOT per 49 CFR 171.15 and 171.16. SRBT will also need to be notified at 800-552-0098 extension 202.
