Docket No.(no hyphens): 03014353

Mail Control/Report No. 611461

Licensee Name: Craig Testing Laboratories, Inc.

Participant(s) Name/Title: Ian Craig, RSO

Work Telephone No. 609-625-1700 X113

Business Cellphone No. NA

NRC Representative Name/Title: Dennis Lawyer, Health Physicist

Subject: RAI, leak tests and authorization.

Discussion: I asked Mr. Craig if they were performing and analyzing leak tests. He said they were not, only taking them and sending to an authorized person to do the analysis. I told him that he should have checked the other block on page B-6 of his application. He said that he would do that. I then told him that our licenses are written differently and I would need to obtain what authorization they wanted for the Humboldt 5001 gauges. He said that they didn't use those anymore and thus didn't need that authorization any longer. I told him that I would remove that authorization and we would keep the same material amounts for the other gauges.

Action Required: Mr. Craig would send in a new page B-6.
