**SUBJECT**  
Provide an estimated time frame for responding to a request for additional information (RAIs) the Trojan Independent Spent Fuel Storage Installation (ISFSI) renewal application

**SUMMARY**

A teleconference was held between NRC, Portland General Electric (PGE) to discuss the time frame for PGE's response to financial RAIs on the Trojan ISFSI renewal application, which were provided to NRC by letter dated Feb 21, 2019. A list of the participants is provided on page two.

The purpose of the call was for: (1) PGE to provide an estimated time frame for responding to financial RAIs.

PGE reconfirmed the scope of the RAI. Given the scope, PGE proposed responding by June 13, 2019.
