

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555-0001

March 19, 2019

The Honorable Tim Kaine
United States Senate
Washington, DC 20510

Dear Senator Kaine:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter of February 25, 2019, regarding one of your constituent's interest in being considered for an appointment as a commissioner of the NRC.

Although your constituent has an impressive resume, the NRC does not have a role in the appointment process. As your constituent referenced, the entities that do control the nomination process for an NRC commissioner are the White House Office of Presidential Personnel and the Senate Committee on Environment and Public Works. Our best recommendation is to forward your constituent's request to those two entities.

I appreciate your interest in this issue. If you have any other questions or need additional information, please contact me at (301) 415-1776.

Sincerely,
