RE: NRC License No. 13-05605-01

Subject: Amendment to radioactive Materials License #13-05605-01

Please amend the above listed license to reflect a name change at our institution. We are now being called **Schneck Medical Center**. This reflects a change in name only as the ownership of the hospital has not changed. I would also like to request that you remove authorized user Carl W. Meyer III, M.D. from out license as he has retired from practice.

If you have any problems or questions, please feel free to contact me at 812-522-0451, or you may reach me by e-mail at lc Cosby@schneckmed.org.

Sincerely,

Lisa Cosby, BS, CNMT, RSO
