Dear Mr. O'Reilly:

This is in response to your letter of January 10, 1978, in reference to the inspection conducted at Surry Power Station on November 29-December 2, 1977 and reported in Inspection Report Nos. 50-280/77-35 and 50-281/77-35.

We have reviewed the subject inspection report and have determined that no proprietary information is contained therein. Accordingly, the Virginia Electric and Power Company interposes no objection to this inspection report being made a matter of public disclosure.

Very truly yours,
